The Role

We are seeking a seasoned **Finance Manager** to oversee all financial aspects of our operations. The ideal candidate will possess strong analytical skills, a strategic mindset, and extensive experience in financial management. You'll collaborate closely with cross-functional teams to drive financial performance, provide insightful analysis, and implement robust financial policies and procedures.

Key Responsibilities

- Develop and maintain financial policies, procedures, and internal controls to safeguard company assets and ensure compliance with regulations.
- Manage the preparation of financial reports, budgets, forecasts, and variance analysis to support decision-making.
- Oversee cash flow, working capital, and investment strategies to optimize financial performance.
- Conduct thorough financial analysis, identify trends, and provide recommendations for improvements.
- Collaborate with other departments to ensure alignment of financial goals with overall business objectives.
- Lead financial audits and ensure compliance with accounting principles and regulations.

Requirements

- A bachelor's degree in finance, Accounting, or a related field (master's degree preferred).
- Professional certification (e.g., CA, CMA, CIMA, ACCA, CFA) is highly desirable.
- Demonstrated progressive experience in finance or accounting, including 3-5 years in a managerial capacity.
- Thorough understanding of financial regulations, accounting principles, and proficiency in financial software.
- Possesses strong analytical skills, capable of interpreting intricate financial data and effectively communicating insights.
- Exhibits excellent leadership, communication, and interpersonal skills.
